La calidad y belleza de los productos MARINER han sido contrastadas con gran éxito en los más diversos mercados de los cinco continentes. Su vocación exportadora quedó confirmada al poco de nacer la empresa y, ya en 1915, MARINER vendía sus productos en países de Europa y América.

Ferias como la de Milán (1927) o la de Filadelfia (1930) fueron testigos de su presencia en el exterior hace muchas décadas. El Salón de la Iluminación en París, Elektro Messehaus en Hannover, Euroluce en Milán, Herbst en Frankfurt, FINE en Beirut, las Ferias del Mueble en París y Colonia, así como las Ferias Internacionales del Mueble y la Iluminación en Valencia -éstas desde su fundación-, son muestras de la introducción de MARINER en los mercados internacionales que, en la actualidad, alcanza a más de cuarenta países.

The quality and beauty of MARINER products have been successfully tried and tested in a wide variety of markets on all five continents. The company's international profile was confirmed soon after it was founded in the 19th century, because by 1915 MARINER had already sold its products in various European countries and the Americas.

Trade fairs such as Milan (1927) or Philadelphia (1930) stand witness to MARINER's presence on the international market in the early 20th century. The Lighting Show in Paris, Elektro Messehaus in Hannover, Euroluce in Milan, Herbst in Frankfurt, FINE in Beirut or the Paris and Cologne Furniture Fairs, as well as the International Furniture and Lighting Fairs in Valencia, Spain -the latter since their inception- are all examples of MARINER's international profile, which today extends to over forty different countries around the world.

Esa presencia y el reconocimiento que supone, se refleja en el diseño y creación de piezas singulares y únicas, verdaderas obras de arte.

Edificios públicos y privados, hoteles, palacios, templos y teatros de los más recónditos lugares de todo el mundo, muchos de ellos de resonancia universal, albergan hoy muebles y lámparas de MARINER, como las piezas expresamente creadas para el Capitolio del Estado (Pensilvania), el Palacio Imperial (Tokio), el Patriarcado Armenio (Jerusalén), el Teatro Monumental Rebekah Harkness (Nueva York), La unión Musical (Lliria, España), el Hotel Doral Beach (Miami), el aeropuerto de Argel, la Residencia Oficial de Bata y la sala de Prensa del Aeropuerto de Malabo (Guinea Ecuatorial), Residencia Oficial de Rusia, las oficinas de una compañía petrolífera (Angola), el Palacio de Justicia de AbuDhabi o los Yates "Bistango" e "Integra Private Yacht".

This experience on the market and the recognition it has brought is reflected in the design and creation of special pieces, personalized for each use.

Public and private buildings, hotels, palaces, temples and theatres spread across the entire globe, many of which enjoy international fame, are homes to MARINER furniture and lamps today, such as the company's special bespoke creations for the Pennsylvania State Capitol (USA), the Imperial Palace (Tokyo), the Rebekah Harkness Monumental Theatre (New York), the Musical Union (Lliria, Spain), the Armenian Patriarchate (Jerusalem), the Hotel Doral beach (Miami, USA), the Alger Airport, the Official Residence in Bata and the Press Room of Malabo Airport (Equatorial Guinea), Official Residence in Russia, the Petrol Company Offices (Angola), the Courthouse in Abu Dhabi or the Yachts "Bistango" and "Integra Private Yacht."

SUPREME LUXURY EXPERIENCE

SINCE 1893

Romantic

Lámpara creada a principios del siglo XX, de estilo Art Nouveau, que re-editamos en 1993 con motivo de nuestro centenario.

Pieza emblemática, que por su acabado y su decoración en verde sobre las tulipas, es una de las joyas de la casa Mariner.

This vintage Art Nouveau chandelier dating back to the 1900s have been relaunched in 1993 in commemoration of the 100 years of the foundation of Mariner, S.A.

The green shadowed art glass, fanciful leafs decoration add to the beauty of this unique and iconic chandelier.

MARINER IS ART

A constant feature in the history of MARINER, reaching back for over a century, has always been a passion for quality craftsmanship.

Our master craftsmen have always managed to transmit their experience and sensitivity generation after generation, bringing traditional methods into unison with modern manufacturing techniques and converting each project into an authentic work of art.

Designers, decorators, foundry workers, woodcarvers, lathe operators, fitters...

Each specialist makes his contribution to ensure that the final product responds to the philosophy that forms the Spirit of the company, emphasizing the traditional values of Quality, Beauty, Adaptation and Perfection.

These values are pursued without fail in all MARINER projects, whatever they happen to be, from a simple loft to a spectacularly decorated suite.
