 **STILLUX**
illuminazione

Stillux unisce, nel segno del miglior stile italiano, arte e vetro, qualità e design nell'illuminazione d'interni. L'azienda viene fondata nel 1972 da Marco e Lucia Innocenti, oggi affiancati dal figlio Manuel, dirigente aziendale, e dal giovane Mattia, ancora studente ma già inserito nelle dinamiche aziendali. La produzione, attraverso le sue forme eleganti, entra in sintonia con i più diversi contesti nell'arredamento, coniugando in un'unica filosofia di stile, qualità, semplicità e durata nel tempo. Orientata alla definizione di apparecchi illuminanti efficaci e riconoscibili sotto il profilo estetico e tecnologico, Stillux propone una costante ricerca nel miglioramento dei suoi articoli e cerca di offrire risposte fuori dalle convenzioni stilistiche e dalle tendenze di breve periodo, utilizzando materiali senza compromessi qualitativi.

Stillux interprets in the sign of fascinating Italian style, art of glass, quality and interior lighting design. Company was founded in 1972 by Marco and Lucia Innocenti, today accompanied by their sons Manuel, business manager, and the young Mattia, still a student but already added in the dynamic business. The production, through its elegant shapes, suiting with all different furnishings, merges in a unique philosophy of style, quality, simplicity and time duration. Oriented toward the defining effective and recognisable luminaires in terms of aesthetic and technological profile, Stillux proposes a constant research in the improvement of its articles and tries to offer not stylish or fashion oriented answer of the tendencies of short period, carrying out with top quality solution, materials and finishings.
